Petitioner - S. Nagappa son of Basappa, residing

SUBJECT: Proposed acquisition of survey no 134 of
Tumkur Town

This is an appeal against the order of the Deputy
Commissioner Tumkur bearing No LA 8 of 44-45 dated
30th April 1946 directing that the proceedings for the
acquisition of survey no 134/1, among other properties
of Tumkur village be proceeded with and the request of
the petitioner for conversion of the land for building
purposes be rejected. The certified copy of the order
of the learned Deputy Commissioner of Tumkur District
is hereto annexed

The Tumkur Town Municipality have issued a notifi-
cation under date 18th December 1945 notifying their
intention to acquire about 21 properties some of
which are agricultural lands bearing survey numbers and
others are private sites for the purpose of laying out
extensions. These properties being situated quite
close to Tumkur town are very valuable and are worth
several lacs of rupees. It would be impossible for
the Municipality to meet this huge cost of acquisition
and also the conversion fine which will amount to a
huge figure under the existing rules. Moreover the
purpose of acquisition as mentioned in their notification
dated 18th December 1945 referred to above is so indefinite
and vague. The intention in notifying the acquisition
of so many property at the same time cannot be said to be

be "Bonafide" as the Tumkur Town Municipality has not got sufficient funds to meet the cost of all these acquisitions

The appellant is the owner of survey no 134/1 - measuring about 8 acres and 29 guntas. The appellant approached the learned Deputy Commissioner, Tumkur on 2nd March 1945 requesting permission for the conversion of about half of ^{his} ~~the~~ land into building - purposes. It was made clear in the application that the appellant would form sites and make it an extension and build suitable buildings giving due attention to the sanitation and drainage.

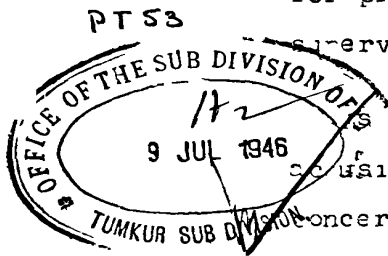

The Government are probably aware that in the Tumkur Town many people particularly persons in Government service are put to much inconvenience and difficulty for want of suitable dwelling houses. With a view to supply the want the appellant has made arrangements to allot sites to those who want to build houses and also to construct houses on the remaining sites and rent them out at reasonable rates.

The appellant is given to understand that in a similar case relating to Kadur Town, Government have permitted conversion for building purposes on the ground that when the public spirited non official - gentleman ^{came} forward to assist in the direction, - Government considered that such cases deserved - encouragement.

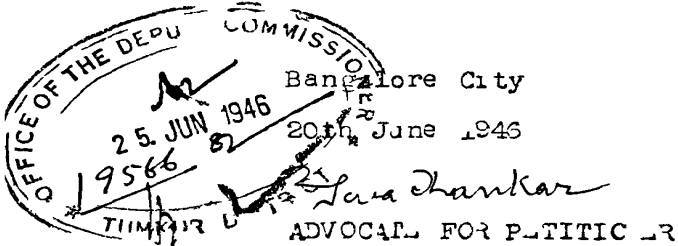

The appellant is prepared to invest any amount of money on the formation of the extension on upto-date lines having due regard to sanitary and other amenities which may be suggested by the Government or the concerned

concerned Municipality Thereby an extension for the use of the public of Tumkur will be ^{formed} ~~formed~~ much earlier than the municipality could form it by itself

The appellant humbly prays in the light of the above circumstances the acquisition of survey No 134/1 of - Tumkur Town be dropped and permission given to convert survey No 134/1 for building purposes and to carry on with the layout as already proposed thereby giving scope for private initiative to execute such works under the supervision of the Government

The appellant understands that the matter of - acquisition is being speedily pushed through by the authorities concerned at Tumkur the appellant humbly prays that an order be passed staying the proceedings pending the disposal of this appeal

Subject - Conversion of S No 134/1 of Tumkur kasaba for
non agricultural purposes in favour of Mr B M Seshadri
--

Adverting to memo No L 14419 dated 24-6-46 from the
Secretary to Government, Revenue Department on the above subject,
I have the honor to forward, herewith the connected records on
the subject and to state as follows -

The President, Town Municipal Council, Tumkur in his letter
no P C 43/43-44 dated 13-4-46 requested for the acquisition of
S Nos 134/1 and 134/2 of Tumkur kasaba for town extension and
for improving the sanitary conditions of the locality Thereupon
the acquisition records were built up and a recommendation was made
to Government in this office even number dated 13-6-1944 for
sanction of acquisition under Section 17 of the Land Acquisition
Act The records were received by Government with letter No L
2372 dated 2-10-1944 for setting the cost of acquisition credited
in the first instance The Municipal Council have not so far
deposited the required acquisition charges

Meanwhile Mr B M Seshadri, contractor, Bangalore submitted
an application to this office on 2-8-46 stating, that he has
purchased about 7 acres of land out of S No 134/1 of Tumkur kasaba
and that he may be permitted to convert about 4 acres to form
building sites and to construct houses He has also submitted a
plan dividing the area into 43 sites of various dimensions thereon
The Municipal President, Tumkur who was consulted in the matter
replied

replied in his letter No M C 489/44-45 dated 10-4-45 that the land in question has been proposed to be acquired for the Municipality and that conversion prayed for by Mr B M Nagappa cannot be granted. I have also inspected the spot in company with the President and other Municipal Councillors on 20-4-45 and they are not agreeable to allow the applicant to convert the above land for building purposes as by allowing individual applicants to convert their lands would come in the way of improving the sanitary conditions of the town and I am also of the same view and it does not seem expedient to permit private extensions in Municipal limits.

The land proposed to be acquired are valued at Rs 500/- per acre and the total cost of acquisition for acquiring S No 134/1 comes to Rs 4907-8-0. The Municipal President in his letter No M C 651/44-45 dated 7-6-45 has stated that the acquisition charges will be paid out of the funds of the Municipality. But they have not deposited the amount so far. The connected acquisition records and the petition of Mr B M Nagappa dated 24-6-1945 are herewith enclosed for favour of kind perusal and transmission to Government.

agricultural purposes in favour of B. S.
Srinivasan

Sir,

Regarding the letter No. L 10000 dated 20-1-47
calling for the particulars of the above subject, I
have to inform you that with the reports re-
ceived from the President, Tumkur Town Municipality
and the Land Acquisition Officer and the Sub Division
officer, Tumkur no reports to the above S.O.
formerly purchased for Rs. 10500/- by Mr. B. S. Srinivasan
who has proposed for converting a tract of 4-0 acres into
building site. The Municipal Council, Tumkur strongly
objects to the conversion in view of its importance for the
Town Improvement as it is situated very near the General
Hospital and business area. The President's letter
dated 23-1-47 mentions that the acquisition
charges would be paid in instalments and the conversion
or extension should be allowed. I have also inspected
the land and it does not seem expedient to permit private
extensions in municipal limits particularly so near to General
Hospital. But the Municipality has not deposited any amount
towards the acquisition of the land. The Land Acquisition
Officer states that the Municipality has several other proposals
of acquisition involving heavy sums to be paid for the same.

(107) The petitioner above named begs to bring the following few lines to your kind consideration and favourable orders --

1) The petitioner filed an appeal before the Minister for Agriculture and Local Self Government on 26th June 1946 against the order of the Learned Deputy Commissioner of Tumkur in respect of land acquisition proceedings relating to survey No 124/1 situate within the Municipal boundaries of Tumkur town

3) By this inordinate delay in permitting conversion to the petitioner's said survey number the petitioner has suffered great loss. If permission had been granted the petitioner and others would have put up by now constructions on the said land which would have gone a long way in relieving the housing problem in the growing town like Tumkur

4) The petitioner has promised to give free of cost some of the sites to be formed for the construction of a reading room and a library. Hostels for poor students. In addition to the above proposed charities, the petitioner has already donated Rs 5000/- to the Mysore State Purbara Sangha

5) The petitioner learns that a similar permission for conversion was given recently by Government to Messrs B Venkatarao Merchant B I Radhanabhaya Merchant of Tumkur B C Manjundaya president Tumkur Municipality Mr Kantarajappa Merchant,

Tumkur Siddaravanna Merchant Tumkur H S Parasimha Murthy
Tumkur Lr Chaudriah Tumkur Jain Padmarajiah Tumkur and a

Subject - Conversion of S No 134/1 of Tumkur Kasaba
for non-agricultural purposes

With reference to your letter No L 4950/L1 17-

116-11 dated 14 10 1946 and subsequent reminders thereto on the above subject, I have the honour to state that the Municipal Council, Tumkur had originally deposited a sum of Rs 6951-4-0 towards the cost of acquisition of 6-36 guntas and 3-18 guntas in S No 134/1 and 134/2 respectively at the estimated value of Rs 500/- per acre. Subsequently the valuation of the lands acquired was got revised. According to this, a sum of Rs 13075/- was estimated to be the cost of barely 6-36 guntas in S No 134/1. Simultaneously an urge was made for the deposit of - Rs 14000/- towards conversion fine on the extent. The President in his letter No MC 213/47 dated 17 2 48 states that a cheque for an additional sum of Rs 6123-12-0 has been sent to the Land Acquisition Officer, Tumkur to make up a total amount of Rs 13075/- Hence evidently it - appears that the Municipal Council is keen to have the S No 134/1 acquired first. With regard to the conversion fine, it is stated that the same is resolved to be paid - after the nature of disposal of sites is decided.

As the original proposal is for the entire extent in S No 134/1 and 134/2 and as the amount now got deposited is for only 134/1, the Municipal Council has got to be consulted once again in the matter. In case they want S No 134/1 only to be acquired, fresh draft declaration statements will have to be obtained from the Land -

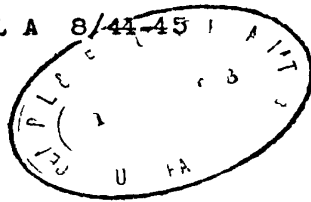

Acquisition Officer On receipt of particulars from the Municipal Council and the Land Acquisition Officer, acquisition proposals will be submitted for orders However, However, the Municipal President has this day been addressed to furnish his views early

The petitioner filed an appeal before the
 Minister for Local Self Government against the
 order of the learned Deputy Commissioner of Tumkur

 relating to Survey No 134/1 situated within the
 Municipal boundary of Tumkur Municipality

2 The petitioner is not aware so far as to what
 happened to his appeal. No order or decision has been

3 The Tumkur Town Municipality have issued a noti-

 intention to acquire about 21 properties some of which
 are agricultural lands bearing Survey Nos and others
 are private sites for the purpose of laying out exten-

 close to Tumkur Town are very valuable and are worth
 several lakhs of rupees. It would be impossible for
 the Municipality to meet this huge cost of acquisition
 and also the conversion fine which would amount to a huge
 figure under the existing rules. Moreover, the purpose
 of

of acquisition was mentioned in their notification in the year 1945 referred to above is so ^{infinite} and vague. The intention in notifying the acquisition of so many properties at the same time cannot be said to be bonafide as the Tumkur Municipality have not got sufficient funds to meet the cost of all these acquisitions and further they have not used the sites which are in their possession to the extent of 1 000 sites.

4 The petitioner is the owner of Survey No 154/1 measuring about 8 acres and 29 guntas. The petitioner approached the learned Deputy Commissioner on 2nd March 1945 requesting for permission for conversion of half ~~about~~ of mv land into building purposes. It was made clear in the application that the petitioner would form sites and make it an extension and build suitable buildings giving due attention to the sanitation and drainage.

5 The Government are probably aware that in Tumkur town many people particularly persons in Government service are put to much inconvenience and difficulty for want of suitable dwelling houses. With a view to supply the wants the petitioner has made arrangements to allot sites to those who want to build houses and also construct houses on the remaining sites and let them out on reasonable rents.

6 The petitioner is given to understand that in a Civil case relating to Tumkur town Government have permitted the conversion for building purposes on the ground that the public spirited non-official gentlemen

come for and to assist in the direction Government considered that such cases deserved encouragement. The petitioner is prepared to invest any amount of money on the formation of the extension on water supply lines and having due regard to sanitary and other arrangements that may be suggested by the Government or the concerned Municipality, thereby an extension for the use of the public of Tumkur will be found much earlier than the Municipality could form by itself.

7 The petitioner has promised to give free of cost some of the sites to be formed for the construction of a reading room and library, hostel for poor students. In addition to the above proposed charities the petitioner has already donated Rs 5,000/- to Mysore State Durbar Sangha.

8 The petitioner learns that a similar permission for conversion was given recently by Government to one Sri R Venkata Rao merchant, Sri B N Padmanabhan, merchant Tumkur, Sri B C Narayana Ex-President of Tumkur Municipality, Sri Kantaravanna of Tumkur, Siddaramanna, merchant Tumkur, Sri H S Narasimha Murthy merchant Tumkur - Sri Chenniah Tumkur, Sri Jain Padmanabha Tumkur and a few others and the petitioner further understands that some more cases have been recommended.

9 The ~~xxxx~~ petitioner humbly prays in the light of the above circumstances that the acquisition of survey No 134/1 of Tumkur Town be dropped and permission being given to convert for building purposes to carry on with a laud-

as already proposed thereby giving scope for private nonofficial to execute such works under the supervision of the Government

10 In this connection the petitioner further wish to add that ~~is~~ due to the inordinate delay in permitting conversion to the petitioner's said survey number the petitioner has suffered great loss. If permission had been granted to the petitioner and others the petitioner would have put up by now constructions on the said land which would have gone a long way in relieving the housing problem in a growing town like Tumkur.

11 In the end the petitioner confidently trust that now atleast the Government would take immediate action and pass such suitable orders as the Government deem fit in the greater interest of the public in general.
